MARCH 2023

MONTHLY SMALL BUSINESS HIGHLIGHT

Von's Chicken is in our neighborhood, 20936 Mission Blvd. This is my favorite fried chicken. I usually order the Crunchy Fried Chicken half mild or the Crispy Honey Butter Fried Chicken. The meat is fresh and tender and the seasoning is perfect. The Honey Butter Fried Chicken tastes like a combo of great fried chicken and buttermilk biscuits. Call twenty minutes before pickup because all food is made to order.
